Organised by:

Department of Pathology,
Tata Memorial Hospital, Mumbai

17th and 18th December 2022

Venue: Rustom Choksi Auditorium, 2nd floor, Golden Jubilee Building and
8th Floor, Pathology, Tata Memorial Hospital, Mumbai

Dear Friends,

We are pleased to invite you to our annual conference Histo – Immunotech 2022 being organised by Department of Pathology, Tata Memorial Hospital, Mumbai.

Tissues are becoming a focal point of many issues in the present era of precision diagnostics.

The objective of this conference is to share our skills, knowledge and experience with fellow histotechnologists and pathologists.

On the Day 1, Saturday 17th December 2022, the “Workshop on Immunohistochemistry” technique will be conducted with the aim of introducing methodology, nuances and advances in the field to all, beginners as well as veterans.

Focused and interactive training for each histological technique will be arranged in small groups with a demonstration on the Day 2, Sunday, 18th December 2022.

We look forward to your active participation in the program. We have limited registrations on a first come first served basis. Kindly note that there is no spot registration.
